

**All Proceeds from GAC Fund Raising Efforts
Go Directly Toward Cancer Research**

Since our founding in 1997, Golfers Against Cancer has had one goal: to fund cancer research. Finding a cure to this dreaded disease is our charter. We are also unique among fund-raising organizations in that virtually all of the money raised goes to cancer research.

GAC supports a variety of cancer research organizations, many of which offer matching funds to GAC's contribution. What's more, much of the seed money GAC contributes has led to proof of concept research that has resulted in a much higher total of governmental funding from the National Cancer Institute and the National Institute of Health.

GAC continually evaluates research organizations to assess whether their goals meet the goals of Golfers Against Cancer. Once these organizations are identified and funds are committed, selected members of our GAC Board monitor the progress of their cancer research efforts.

Past and present beneficiaries include MD Anderson Cancer Center, the Stehlin Foundation for Cancer Research, Prostate Cancer Foundation, The Methodist Hospital Foundation, Baylor College of Medicine, The University of Texas Medical School, Susan G. Komen Breast Cancer Research, and other leading cancer research organizations.

You can help Golfers Against Cancer by:

- Participating in our annual golf tournament and Cancer Research Dinner and auction.
- Bidding on silent and live auction items that include exotic vacations, artwork, dinners, golf and a fabulous collection of other gifts and memorabilia.
- Contributing to the cause. Contributions will be gratefully accepted.
- Building a lasting monument to the bravery of cancer survivors and cancer victims by purchasing a brick in our brick memorial at the Deerwood Golf Club.
- Participating and becoming a GAC volunteer.
- Visit our web site at www.golfersagaincancer.org and learn more about us. Get involved and help us beat cancer.

Best wishes,

Bobby Jones
Chairman
Golfers Against Cancer

Deerwood

The Mike Longpré ProAm Patron Entry Form

The Mike Longpré \$25,000 ProAm is unique among charitable events. Named after the late Deerwood Golf Professional Mike Longpré, the event is for area non-touring professionals who field a team for Golfers Against Cancer at the Pro Club Patron levels or above. See page 3. Once the team has registered, the participating pro is automatically signed up for the professional event which offers a total pro purse of \$25,000, \$10,000 to the winner.
